Dear New Yale Student:

*courier*  
246 Church Street  
New Haven CT 06510

Welcome to Yale University! Please review this letter as it contains important financial and student account information.

**Billing Information:** All student billing is done electronically on a semester basis. Yale does not mail paper bills nor generate monthly statements. Students and student-designated proxies can view all activity posted to their Student Account in real-time through the University's online billing and payment system, [YalePay](#). Fees for the Fall 2024 semester will be posted at the end of June and due in full by 4 pm on July 31<sup>st</sup>. In early July students and authorized proxies will be sent an email notification to review their term fees and make payment.

**Authorized Proxy access:** We strongly encourage students to set up Authorized Proxy access for all persons responsible for making payment. Instructions can be found: [Proxy Access and Authorization | Student Financial and Administrative Services \(yale.edu\)](#).

## Payment Options:

- Yale's recommended method of payment is online through YalePay. Online payments are easy and convenient and can be made by anyone with a U.S. checking or savings account. There is no charge to use this service.
- Cash and check payments are also accepted at the Office of Student Accounts, Cashier's Office. Payments must be made in U.S. currency.
- International payments – Yale partners with Flywire, to provide a fast and secure way to make international payments to your student account within YalePay.
- Yale Payment plan - A Yale Payment Plan provides the option to pay education expenses monthly. Participation is optional and elected on a term basis. The cost to sign-up is \$50 per term. For more information, please visit: [Yale Payment Plan | Student Accounts](#).
- Yale does not accept credit or debit card payments online nor in person.

For more information on payment options, please visit: [Payment Options | Student Accounts \(yale.edu\)](#).

**Health Insurance:** Yale University requires all full-time students to subscribe to a health insurance policy. Students are automatically enrolled and billed per term for the Yale Health Hospitalization/Specialty Care coverage. Students who have comparable insurance coverage and do not wish to be enrolled in the Yale Health plan **must complete an online waiver** by September 15 for the fall term (or full year) and January 31 for the spring term.

**Tuition Insurance:** Yale partners with A. W. G. Dewar, Inc. to offer Tuition Insurance. More information can be found at: <https://student-accounts.yale.edu/paying-your-bill/tuition-insurance>.

If you have questions or need more information, please visit our website: [Welcome | Student Accounts \(yale.edu\)](#). The Office of Student Accounts staff members are also ready to help. Please contact us by phone at (203) 432-2700 or by email via our Contact Us webpage at [Yale University | Student Financial Services | Contact Us](#).

Thank you,

Office of Student Accounts
