<p>Fair Haven Community Health Care Asthma Clinic</p>	<p>Fair Haven Community Health Care</p>	<p>A team-based approach to asthma care including Allergy/Immunology specialty assessment, asthma education, and care coordination. This clinic focuses on accurate diagnosis, assessment of environmental triggers, medication management, and social supports. Referrals are made for an in-home assessment as needed.</p>	<p>Children and adults with severe or difficult to control asthma who receive primary care from Fair Haven Community Health Care.</p>	<p>Fair Haven Community Health Care 50 Grand Ave New Haven, CT 06513 Phone: 203-777-4711 Fax: 203-974-0134</p>
<p>Yale Occupational and Environmental Medicine</p>	<p>Yale School of Medicine</p>	<p>The care model is to combine a thorough medical evaluation of patients with a detailed assessment of occupational and/or environmental exposures that could be contributing to the patient's asthma. This may involve a site visit to a worksite or home led by our industrial hygienist. Often this exposure assessment leads to identification of a hazard that can be eliminated or reduced, resulting in an improvement of the patient's clinical condition and a reduction of risk for others.</p>	<p>Adults with asthma suspected to be related to home or environment.</p>	<p>Yale Occupational and Environmental Medicine Clinic 135 College St New Haven, CT 06510 Phone: 203-785-4197</p>
