## <u>ORDER</u>

Three media entities ("the Intervenors") moved to intervene and unseal judicial records namely, the lethal injection protocol and related judicial records—in this case. (Doc. 107). The court granted the motion to intervene and ordered Defendants to show cause why the court should not unseal those judicial records. (Docs. 111, 113). Defendants' response to the show cause order contends that the court should not unseal the judicial records, but also requests reconsideration of this court's order granting the Intervenor's motion to intervene. (Doc. 119 at 15–19).

The court DIRECTS the Intervenors to respond, **on or before April 23, 2018**, *only* to Defendant's request for reconsideration of this court's order granting the motion to intervene.
