## **ORDER**

This matter is before the court on the Intervenors' motion to unseal judicial records. (Doc. 107). For the reasons set out in the accompanying memorandum opinion, the court GRANTS the motion. The court will unseal (1) Alabama's lethal injection protocol; (2) the sealed transcript of the *in camera* hearing held on January 31, 2018 (doc. 53); (3) the sealed transcript of the closed hearing held on February 16, 2018 (doc. 71); and (4) Doyle Lee Hamm's motion for leave to supplement his first amended complaint (doc. 54). Those documents will contain redactions to protect the identity of the court's independent medical examiner, confidential security measures, and the identities of personnel involved in executions.

**DONE** and **ORDERED** this 30th day of May, 2018.
