Re: Terms of the Parties' Settlement, ECF No 198-2, approved by Order of the Court on April 26, 2021, ECF No 223 [Kennedy v. McCarthy, Case 3:16-cv-02010-CSH, Stipulation and Agreement of Settlement]

Dear Judge Haight:

In response to a question from class counsel immediately following the Army Discharge Review Board's (ADRB) second report to the Court regarding the status of the Group A cases, the ADRB wishes to clarify the status of the 356 cases the Board has reconsidered. The table below provides more detail regarding the status of those 356 cases.

CASE STATUS	NUMBER OF CASES
Pre-Board Cases	2934
Pending Board Docket	49
Boarded Cases (reconsidered)	356
Duplicate Cases	76
TOTAL CASES	3415
Boarded Cases	356
<i>Pending final action</i>	123
Decided	
<i>Denied</i>	174
<i>Granted: Full or Partial</i>	59
<i>Upgrade: UOTH</i>	(2)
<i>Upgrade: GD</i>	(7)
<i>Upgrade: HD</i>	(45)
<i>Upgrade: Other</i>	(5)

Other: Change to narrative reason (1); change to re-enlistment code (4); 3 of 5 cases already had an HD.

Duplicate Cases: Applicants had both record review and personal appearance (75); includes (1) ABCMR case miscoded as an ADRB Group A case.

The Army Review Boards Agency will submit its next six-month report on October 25, 2022. The report will update the following:

- (1) the number of Group A cases in a pre-board status,
- (2) the number of Group A cases scheduled for an upcoming board,
- (3) the number of Group A cases boarded, and
- (4) a breakdown of the boarded cases, whose grant state was either full or partial relief, based on the type of characterization of service or other change made to an applicant's discharge.

Sincerely,
The Army Review Boards Agency
