Info from CDO

What Should I Be Doing? When Should I Be Doing It?

These are the top questions 1Ls ask CDO counselors in their initial meetings. We know that you are balancing a lot of competing priorities as you continue to adjust to law school. As you think about applying for summer internships, here are some resources to help you sequence your job search process. Plan now to create a timeline that will work for you.

- Review the 1L Timeline at the bottom of the Step-by-Step for 1Ls page. This month-by-month guide will help you prioritize your time and gives you quick access to essential information.

- Read our Advice on Application Timing to get a general sense of when you should apply to various types of employers.

- Learn about upper-class students’ summer experiences:

- Review the lists of where 2Ls and 3Ls worked in their 1L summers (available in the Quick Links box in the Step-by-Step for 1Ls)

- Understand when they got offers for those jobs (available in the Quick Links box in the Advice on Application Timing)

- Read their Summer Employment Evaluations in CMS (click the “Evaluations” tab)
