Select **Register for Classes**.

Select a term from the drop-down list and click **Continue**.

On the bottom two panels you will see the courses in which you are currently enrolled.
To view more details of your course schedule including grading mode, building, and room location, click on the **Schedule Details** tab in the lower left panel.

To search for courses, type **Law School** in the School list in the **Find Classes** tab.

The **Advanced Search** link allows you to limit your search to courses with seats available by selecting the checkbox for **Open Sections Only**.  

Click **Search**.
If you know the CRN (class reference number) of the course, you may also enter the CRN directly on the Enter CRNs tab.

CRNs may be found on YLS: Courses course details page.

On the Search Results panel, click Add to add the course.

Note: Courses which have a waiting list or require the permission of the instructor will display as "FULL: 0 of 0 seats remain".

After clicking Add in the Search Results panel, you must Submit your selection.

After clicking Submit, the status will change from Pending to Registered.
To drop a course in which you are enrolled, in the Summary panel, use the drop-down menu in the **Action** column and select "Dropped on Web" and click **Submit**.

**Note:** Yale Hub will not allow you to add more than one reading group or supervised research course.

To add a second reading group, submit an **online Add Form**.

To add a second section of supervised research, submit the **Supervised Research form**.
