

# Self-Scheduled Exams

## Self-Scheduled Exams in YLS:ExamWeb

1. Login to <https://exams.law.yale.edu> with your Yale credentials.

- 2.

- 3.
4. The YLS ExamWeb home page will list your exams prior to the exam period. Your exam ID for the term will also be listed here.
5. To begin a self-scheduled exam, click on the course title. Your time will begin when you download the questions.

Yale Law School

General information about exams at YLS can be found on the Registrar's Office web site. Exam details may be found on YLS:Courses, under the expanded course description and on the exams page for each term. Do not contact faculty about exams.

By using YLS ExamWeb, you agree to the following statement:

I pledge on my honor that I have not received any unauthorized information regarding the nature or content of the questions in this examination, that I have completed the examination in accordance with conditions set forth by the instructor, that I will not report, directly or indirectly, any matter concerning the examination questions to any member of the course who has not taken the examination, that no one has assisted me with the examination, and that I

About EBB Portal

6.

7. Before beginning the exam, read the exam notes (if any) and instructions. It is recommended that you create your exam answer file and save the Word document prior to beginning the exam. Remember to include your exam ID number, the course title and/or professor, and page numbers on every page. Double space your exam answers, unless the exam instructions specify otherwise.
