

Scheduled Exams

Scheduled Answers Only (Questions are not Available Online)

1. You must take the exam in the assigned room at the assigned time. When you arrive at the classroom, find a seat, and follow the proctor's instructions for initialing the proctor sheet and receiving a hard copy of the exam questions.
2. Before beginning the exam, read instructions, and complete the colored honor slip. It is recommended that you create your exam answer file and save the Word document prior to beginning the exam. Remember to include your exam ID number, the course title and/or professor, and page numbers on every page. Double space your exam answers, unless the exam instructions specify otherwise. A template file may be found on the YLS Registrar's Office web site.
3. Your time begins when the proctor tells you to start the exam.
4. Type your exam answers in Word.
5. The proctor will return to the exam room to give a five or ten minute reminder.
6. When the proctor calls time at the end of the exam, stop working on your exam and upload your exam answers.
