"The Wall Dancers: Searching for Freedom and Connection on the Chinese Internet"

Yi-Ling Liu

Author

Prof. Jing Tsu

Moderator

Drawing on years of firsthand reporting, Yi-Ling Liu weaves together the stories of individuals navigating China's transformation into both the world's largest online user base and one of its most populous authoritarian states. As these entrepreneurs, activists, artists, and dreamers experience the internet's power as a tool for both control and liberation, they grapple with universal questions of success and authenticity, love and solidarity, faith and resilience.
