

The Law, Ethics & Animals Program
AT YALE LAW SCHOOL

Trillions of Forgotten Animals:

Fish, Fisheries, and Ending
Factory Fishing and Farming

Dr. Jennifer Jacquet & Dr. Becca Franks

Join NYU's Dr. Becca Franks and Dr. Jennifer Jacquet for a talk about the global state of fisheries and aquaculture, potential inroads for animal welfare, and making progress toward seeing seafood as animals.

Tuesday, November 12, 12:10-2:00 pm

Sterling Law Building, Room 121

Lunch will be provided.

Co-sponsored by the Yale Animal Law Society.
