
WHERE THEY STAND: LAW FIRMS AND THE CLIMATE CRISIS

Han Chen, Manager of Energy Policy,
Natural Resources Defense Council

Thursday, February 27th
12:10-1:00 pm
SLB 129

Just as the financial sector faces pressure to divest from the fossil fuel industry, law firms are facing scrutiny for their role in representing the biggest players in the coal, oil, and gas sector. Join **NRDC's Manager of Energy Policy, Han Chen**, as she discusses the role law firms play in shaping our energy landscape and where different firms stand in the fight against climate change.

Lunch provided.

*Sponsored by the Environmental Protection Clinic and the
Yale Environmental Law Association*
