Recommendation

Applicant's Full Name (as it appears on the application)

Please note: We strongly prefer to receive all letters of recommendation through the LSAC Credential Assembly Service. Please use this form only if you are writing a letter that is not applicable to schools other than Yale Law School. Please do not send duplicate letters to the Credential Assembly Service and to Yale; this delays consideration of the application.

To the Recommender:
The person named above has applied for admission to Yale Law School. The Admissions Committee would appreciate your honest and detailed evaluation of this applicant's abilities and potential. The Committee is faced with the task of selecting an entering class of 200 out of a pool of almost 3,000 applicants--many of whom have outstanding records, and your assessment of this applicant will play an important role in that process.

Please assess this applicant's qualifications for graduate study, including intellectual strengths and weaknesses, motivation, and capacity for original and independent work. In addition, please compare the applicant to other students you have known, or to any of our present students or recent graduates whom you have recommended to us. If you feel that you do not know the applicant well enough to make such an evaluation, we would appreciate your declining the applicant's request.

If you wish your recommendation to remain confidential, it must be accompanied by this form indicating the student's explicit agreement to waive her/his right to see your letter.

You may submit your recommendation to Yale Law School in either of two ways:

1) You may send your letter and this form (completed below by the applicant) directly to the Office of Admissions, Yale Law School, P.O. Box 208215, New Haven, Connecticut 06520-8215. Overnight mail should be sent to our street address, 127 Wall Street, New Haven, Connecticut, 06511. We would appreciate a prompt reply; because it is our policy not to review an application until letters of recommendation have been received, delay may work to the detriment of the applicant.

2) You may, if asked by the applicant, give your recommendation and this form to the applicant in a sealed and signed envelope, to be returned by her/him to Yale Law School with the rest of the application materials. This option allows an applicant to know that her/his file has been completed in a timely fashion.

Thank you for your assistance.
