

**Yale Law School**  
**2023 Summer Public Interest Fellowship program (SPIF) Supplemental Form**

Purpose: Students who do not meet automatic financial need eligibility for the SPIF program may qualify for summer grant funding if they can demonstrate that "but for" SPIF funding, they would not be able to pursue summer public interest opportunities. This "but for" analysis is dependent on individual circumstances and decisions are made on a case-by-case basis.
