BORROWERS OF DIRECT STUDENT LOANS

After the Financial Aid Office has originated your Federal Direct Loan(s), you will receive an email from Student Financial Services directing you to www.studentloans.gov to complete the required Federal Loan Entrance counseling session and if applicable, to complete and e-sign the Master Promissory Note(s). Your loans will not disburse until both of these requirements are satisfied. Note that counseling is required only once even if you have multiple Direct Loans.

You will need your U.S. Department of Education PIN number (the same one you used to sign your FAFSA) to sign in and complete the requirements. If you have forgotten your pin number, there will be a link on this web site to request a duplicate.

You are required to complete an entrance interview and master promissory note (if applicable) **BEFORE YOUR LOAN FUNDS CAN BE DISBURSED.**
